BART

San Francisco Bay Area Rapid Transit (BART) rail service connects the San Francisco Peninsula with Oakland, Berkeley, Berryessa, Walnut Creek, Dublin/Pleasanton, and other cities in the East Bay, as well as San Francisco International Airport (SFO) and Oakland International Airport (OAK).

Fare Information

effective January, 2024

Current fares can be found near ticket vending machines, online at bart.gov and using the official BART app. Regular BART fares can only be paid using Clipper.

CLIPPER®

Clipper is the Bay Area's all-in-one way to pay for transit fares. Cash value can be added to Clipper and used for various Bay Area transit operators. Clipper cards can be purchased at fare machines in all BART stations. There is a one-time $3.00 fee to setup Clipper. Or, load Clipper onto a phone with Apple Pay or Google Pay.

A minimum value is required to enter the BART system, so it is best to load fare on your card before entering. Each passenger must have their own physical or digital Clipper card.

Visit clippercard.com to learn how to apply for Clipper discounts for Seniors (age 65 and up), Youths (age 5-18), persons with disabilities, START (low-income program) or to add a BART High Value Discount (stored as a separate "purse" on the card).

BART EXCURSION FARE

BART's Excursion Fare allows you to tour the BART system for up to three hours, if you enter and exit at the same station. To avoid being charged the excursion fare if you enter the system and need to leave before riding a train, see a Station Agent.

Schedule Information

effective January, 2024

Check before you go: up-to-date schedules are available on www.bart.gov and the official BART app. Overhead real-time displays can be found on station platforms. A reference guide to transfer information for trains without direct service is shown.

511 Real-Time Departures

511 provides free, up-to-the-minute departure times for the transit agencies to the left that have this symbol. Other Bay Area transit agencies will be added in the future.

To find out when your next bus or train will depart, check nearby displays or simply call 511 and say "Departure Times." You'll then be asked to enter your Stop ID number. If you don't know it, you can say your agency name, and the system will prompt you to enter your route and stop. 511 will respond with departure times for your route and will also include the Stop ID for future use. You may also look up your stop's ID online at 511.org.

Bicycles on Transit

Rail/Ferries: Bicycles are allowed on all Bay Area ferries and nearly all rail lines. Exceptions are San Francisco Muni Metro, historic streetcars, and cable cars.

Buses: Nearly all Bay Area public transit buses are equipped with bicycle racks.

General: While bicycles are allowed on most transit services, there are some space limitations and, in some cases, times when bicycles are not allowed on board. For specific transit operator policies and procedures go to 511.org and click on the bicycling tab, or call 511 and say "bicycling" to speak to an operator who can answer your questions.

Get Clipper®!

Clipper® is the convenient way to pay for transit rides in the Bay Area. The reloadable Clipper card stores value as cash and transit passes to pay your fare on AC Transit, BART, Caltrain, County Connection, Dumbarton Express, FAST, Golden Gate Transit and Ferry, Marin Transit, Muni, Petaluma Transit, SamTrans, Santa Rosa CityBus, San Francisco Bay Ferry, SMART, SolTrans, Sonoma County Transit, Tri-Delta Transit, Vacaville City Coach, Union City Transit, the VINE, VTA, WestCAT, and Wheels.

Whether you pay as-you-go with cash or purchase passes or ticket books in advance, Clipper makes commuting easier. Clipper works with a variety of employee transit benefits providers, including Commuter Check®, WageWorks®, and Clipper Direct®.
