San Francisco Bay Area Rapid Transit (BART) rail service connects to the San Francisco Peninsula, the East Bay, South Bay, and other cities of the Bay Area as well as San Francisco International Airport (SFO), Oakland International Airport (OAK), and Sacramento International Airport (SMF). Clipper is the Bay Area’s all-in-one digital payment solution. You can pay for your fare using Clipper or your mobile device. Visit www.clippercard.com to learn how to apply for Clipper and setup Clipper.

Fare Information

Current fare rates are listed below. Visiting www.bart.gov or calling 1-800-511-0123 will show you the current rates. Do not add Clipper to Clipper or to another Clipper card. You can purchase a new Clipper card at any BART station. Clipper cards are reloadable and can be used for transit in the Bay Area and throughout California.

BART Excursion Fare

BART Excursion Fare allows you to use the BART system for up to three hours, if you enter and exit the same station. To avoid being charged the excursion fare, you must exit before riding a train, see a Station Agent.
