FOR IMMEDIATE RELEASE

Northbound U.S. 101 Overnight Closure for Overhead Sign Replacement Work in San Mateo County *June 12 – 1:00 AM – 6:00 AM*

SAN MATEO COUNTY — Caltrans has scheduled a full overnight closure of northbound U.S. 101, **Sunday, June 12, 1:00 AM – 6:00 AM** for overhead sign replacement work. Caltrans will replace an overhead sign bridge between Millbrae Avenue (Millbrae) and San Bruno Avenue (San Bruno).

Closure Detour:

Motorists will be directed to exit at the Millbrae Avenue Off-Ramp, in the City of **Millbrae**. Motorists will then be able to choose between two detour routes, diverging east (shown in green) and west (shown in blue), to either return to northbound U.S. 101, or reach their destination. The detour route on El Camino Real will cross through the cities of **Millbrae** and **San Bruno**, while the detour route on McDonnell Road will keep drivers on the frontage road adjacent to SFO Airport.

Travelers wishing to access SFO Airport should take westbound Millbrae Avenue to South McDonnell Road.

Southbound U.S. 101 traffic will be unaffected.

TRAFFIC ADVISORY

During this closure, the following freeway ramps will be closed:

- Northbound U.S. 101 On-Ramp from Millbrae Avenue
- Northbound U.S. 101 On-Ramp from SFO
- Northbound U.S. 101 Off-Ramp to San Bruno Avenue/Westbound I-380 Connector

Changeable message and directional signs will be in place to assist motorists traveling in the area. The California Highway Patrol (CHP) will be on site during the closures.

Please drive with caution. Slow for the Cone Zone and Be Work Zone Alert. Caltrans thanks motorists for their patience while we work to maintain our state's highways, bridges, and tunnels.
