FOR IMMEDIATE RELEASE

Weeknight Closures of Northbound I-680 to Eastbound SR-84 Connector

For Construction Work

From Tuesday, January 7 to Friday, January 6, 2024

Tuesday to Friday

12:00 A.M. to 7:00 A.M

ALAMEDA COUNTY- Caltrans will temporarily close the northbound I-680 connector to eastbound SR-84 during nighttime hours from Tuesday, January 7, 2025, through Friday, January 10, 2025, for work on the overpass.

Closure Details

Dates: January 7–10, 2025

Times: 12:00 AM (midnight) to 7:00 AM nightly

During these hours, the connector will be fully closed to traffic. Motorists should plan ahead and use alternate routes. Detours signs will be set in place.

This temporary closure is necessary to facilitate the safe and efficient construction of the flyover(overpass), a key infrastructure improvement project that will enhance traffic flow and safety in the area.

To ensure the safety of workers and motorists, Caltrans will need to close the connector to safely complete the work. Work is weather and schedule permitting.

Be Work Zone Alert and expect travel delays.

Caltrans thanks the public for their patience and cooperation as we continue to improve California's transportation network.

Caltrans will update its Twitter page at <https://twitter.com/CaltransD4> on the latest highway conditions, and drivers are encouraged to check out Caltrans Quickmap <http://quickmap.dot.ca.gov/>

Motorists can also receive 24/7 highway condition information statewide by calling 1-800-427-ROAD or 1-800-427-7623.

Thank you for your patience as we work to maintain our state's highways, bridges, and tunnels.
