What is Guaranteed Ride Home?

When unexpected family or personal emergencies arise, the Guaranteed Ride Home program provides employees who regularly travel to work by transit, carpool, with vanpool, bicycle or on foot in a reliable FREE ride home - usually in a taxi or rental car. Typical emergencies include a sick child, personal illness, or overtime of your carpool partner.

Who can use this program?

All of our employees who travel to work by transit, carpool, vanpool, bike or on foot are eligible. You must be approved to participate prior to using the program. We offer the Guaranteed Ride Home program to support smart travel choices to our employees.
