FOR IMMEDIATE RELEASE

“Nightly Lane Closures Continue along U.S. 101 in Preparation for the Deck Replacement Project at Alemany Circle.

April 11-23, 2020 from 9pm-6am

San Francisco - San Francisco - The California Department of Transportation (Caltrans) will perform nightly lane closures along U.S. 101 in preparation for the Deck Replacement Project at Alemany Circle in San Francisco County.

Motorists are advise to reduce speed and exercise caution upon approach and in passing of construction work zone. Night work and construction noise could be disruptive to immediate neighborhoods and businesses.

The preparation work involves:

- 1) Layout for barrier removal.
- 2) Approach slab saw-cutting.
- 3) Median Barrier saw-cutting.
- 4) Remove and replace approach slabs.

More information about the project and Caltrans can be found using the following resources:
