

## MEDICAL ELIGIBILITY APPLICATION REGIONAL TRANSIT CONNECTION DISCOUNT ID CARD

### **TO APPLICANTS:**

To qualify for Medical Eligibility: Complete Section 1 of the Medical Certification form. You must also sign the application in two places to: 1) authorize your doctor to release information, and 2) indicate your acceptance of RTC Program terms. If your application is not signed in both places, it cannot be processed and will be returned to you.

Bring this form to your “Certifying Professional.” The Certifying Professional must complete the application in blue ink with original signature.

Take this form to your transit agency listed on the last page, where you can submit the form and have your picture taken.

The Medical Verifier will contact your certifier to verify the information provided. If the correct contact information is missing and they are not able to contact the certifier, or the certifier is not responsive, the process will be delayed.

### **TO MEDICAL CERTIFIERS:**

The purpose of the RTC Discount ID Card Program is to ensure that only eligible individuals receive fare discounts as mandated by state and federal law. An individual's eligibility is based on their inability to use fixed-route transit (i.e., regular accessible buses, light rail, commuter rail or BART) without special facilities, planning or design. If you have questions, please contact the Discount ID Card Program Office at 510/208-0200.

You may certify eligibility only in the categories related to the field of practice in which you are licensed in the State of California to diagnose:

- Licensed physicians with an M.D. or D.O. degree, licensed physician's assistants and nurse practitioners may certify in all categories in which they are licensed to diagnose;

A description of the eligibility sections can be found on the reverse of this page. For more information, please consult the program brochure.
