BICYCLE ACCESS @ UC BERKELEY

Cyclists are permitted on all campus pathways and roadways and City of Berkeley streets unless otherwise posted. Riders are reminded to yield to pedestrians, travel slowly and be courteous when pedestrians are present.

Legend Key:

- Designated Primary Bicycle Routes
Primary routes facilitate cross-campus bicycle traffic on shared vehicle roadways or on lower pedestrian volume pathways.
- - - Designated Secondary Bicycle Routes
Secondary routes facilitate local bicycle access on the campus. Off-campus secondary routes are designated City bicycle routes, but may have more conflicts, higher vehicle traffic volumes or more challenging topography.
- - - - Dismount Zone. Please walk your bike 8am-6pm, Mon-Fri
Bicyclists are required by UCPD to walk their bike during the day on Upper Sproul Plaza, Dwinelle Plaza and Sather Road. During the day, these areas have dense pedestrian activity and special events.

Tips on bike access into, out of and around the UC Berkeley Campus:

- ① Median opening on Oxford at Frank Schlesinger Way to facilitate access into and out of campus.
- ② Watch for vehicles at Valley Life Sciences Addition loading dock.
- ③ Dana Street is one-way southbound. Please do not ride against traffic.
- ④ To bypass the Dismount Zone, cyclists may ride courteously or walk their bike on the north side of Bancroft between the intersection of Bancroft/Telegraph and Barrow Lane.
- ⑤ Bowditch Street is part of the Hillegass Bicycle Boulevard between Rockridge and the campus. It is a calmer bicycle route than Telegraph, College or Piedmont.
- ⑥ Watch your head in the Morrison-Hertz breezeway!
- ⑦ Expect heavy traffic during construction.

PARKING YOUR BIKE ON CAMPUS

Locking Tips:

- Always lock your bike to a bicycle rack.
- Use a high-quality, hard steel "U" shaped lock.
- Avoid lightweight cables or chains.
- Always attach the lock to your bike through the frame and at least one wheel.
- Allow for as little space as possible; loose locks can be broken open.
- Lock or remove all detachable parts and take them with you.
- Avoid parking outside overnight.
- Double check your lock before departing to ensure it is secure.
- Register your bike and contact UCPD if your bike is stolen. (510-642-6760)

Access to Secure Bike Cages/Rooms:

Faculty, staff and students may use covered, secure bicycle parking facilities free of charge after registering. Access is granted on a first-come, first-served basis. Affiliates may contact Parking & Transportation (510-643-7701) to register for the Bancroft parking garage, the Boalt parking garage or the RSF parking garage bike cages. Affiliates at other sites with secure bike parking should contact their building coordinator or residential hall service center.

Removing the Front Wheel

Using Multiple Locks

Using the Rear Triangle

- ⑧ Watch for pedestrians on the access bridge around Bechtel.
- ⑨ Bicycles are permitted in all campus buildings, including residence halls; however, they must be stored such that they do not hinder egress and ingress.
- ⑩ The RSF offers locker room-only memberships for locker room, shower and towel service access. (www.recports.berkeley.edu)
